Visit Glenwood Caverns Adventure Park, nestled in the mountains overlooking historic Glenwood Springs, Colorado, for a one-of-a-kind, family-friendly adventure. From thrill rides and cave tours to gondola rides and a restaurant, America's only mountain-top theme park is a must-see attraction.

The Glenwood Gondola travels 4,300 feet from the floor of the Roaring Fork Valley, offering breathtaking views of the Rocky Mountains from fully enclosed gondola cabins. At the top, you can take walking or on-your-belly wild tours of Glenwood Caverns and Historic Fairy Caves, recognized as one of the country's leading show caves. Dare to drop on the Haunted Mine Drop, USA TODAY's Best New Amusement Park Ride of 2017 and world's only underground drop ride. Ride the Alpine Coaster with individual cars on tracks that race down the mountainside. Enjoy the Cliffhanger Roller Coaster, the highest-elevation coaster in America, with cliff-side curves and heart-stopping drop-offs. The Giant Canyon Swing launches you out over Glenwood Canyon, 1,300' above the Colorado River. Additional attractions include a 4D Motion Theater, a zip ride, the Glenwood Canyon Flyer, a Ferris wheel ride, live music and entertainment.

The Lookout Grille serves burgers, salads, sandwiches and drinks on the deck or inside by the fire when it's chilly outside, with a great kids' menu. The Snack Shack offers casual outdoor dining during the summer months. Group discounts and packages are available. The Adventure Park is located on I-70 midway between Aspen and Vail and is open year-round. Call 800-530-1635 or visit [www.GlenwoodCaverns.com](http://www.GlenwoodCaverns.com) for more information.
