Dear Glenwood Caverns,  
Thankyou so much for  
the amazing tours! Our  
class had so much fun.  
We learned so much  
about the rock formations  
in the caves.

The caves are so  
cool! My favorite  
ride was the  
swing, you should  
try it!

I  
the  
I can't wait  
to go on a  
wild tour!  
Thank you!

cool.  
was  
ld

### SPECIAL SCHOOL RATE

**Day Pass just \$25!**  
Combine with a cave tour  
or enjoy it on its own.

## SCHOOL PROGRAMS

# ADVENTURES IN Learning

When the  
ed ceiling  
ore dropping to the floor.  
As the formations grow, the new  
rock folds and curls, creating  
of the caves.

## PROGRAM OPTIONS [choose an activity to go with your cave tour]

### Cave tour:

#### GLENWOOD CAVERNS BARN AND KINGS ROW

Experience this section of the cave which was only opened to the public in the last decade and features the second largest and most highly decorated rooms in Colorado! Learn how the caves were formed and about the living caverns system hidden deep inside Iron Mountain. The caverns are home to thousands of formations including soda straws, stalactites, stalagmites, and cave bacon.

**USA Today  
rated  
Glenwood  
Caverns  
"One of  
the Top 10  
Places to Go  
Underground!"**

**Call 970-945-4228 x111  
to reserve your field trip!**

**Program cost:** \$6 per student and \$12 per adult for admission, cave tour and one activity. (One teacher per classroom is complimentary!) Add \$4 per student to participate in the sluice box activity.

#### NOTE:

Programming and rates apply  
Monday - Friday only, September - May.

### Choose one activity:

#### 1 GEOLOGY

Investigate the basic components of our earth and discover and identify actual rock, gem and mineral specimens. Learn geological facts about Colorado and how materials from the earth are used in everyday products. Students participating in the optional sluice box activity will take home a bag of gems of their very own! *Note: Add \$4 per student for panning for gemstones in the running water of the mining sluice box.*

#### 2 WILDLIFE

Learn about the diverse species of wildlife that are native to our Rocky Mountain region and the cave and participate in an informational scavenger hunt through the park. Enjoy a friendly competition by taking the "Bat Quiz" to see who learned the most!

#### ENHANCE YOUR FIELD TRIP

by staying to enjoy some of the park's other attractions. \* **Special half-price school rates apply!**

- ▶ Test your skill with **LASER TAG**
- ▶ Race down the mountain on our **ALPINE COASTER**
- ▶ Soar 1,300 ft. above the Colorado River on the **GIANT SWING**
- ▶ Jump, twist and soar on the **BUNGEE TRAMPOLINE**
- ▶ **AND MORE!** Giant maze, climbing wall, shooting gallery, mechanical bull

\* Liability waiver is required to participate in additional activities such as the coaster, swing and laser tag. Waiver must be signed by parent or guardian of anyone under 18 years of age. 56" height requirement to ride coaster without adult and 48" requirement to ride swing. Please have parents sign waivers in advance. Waivers available on website: [www.glenwoodcaverns.com](http://www.glenwoodcaverns.com) (Attractions subject to closure due to weather, maintenance and seasonality.)
