ADULT	\$128	\$44	\$84
CHILD	\$116	\$39	\$77

## COVID-19 SAFETY PROCEDURES

The park's capacity has been reduced to comply with county guidelines and to allow for proper social distancing. We have added cleaning staff and increased the frequency of disinfection of restrooms, food and beverage areas, handrails, doorknobs and other common touch points. For the safety of our employees and guests, face coverings are required along with social distancing. We ask that you take responsibility to adhere to these requirements. Your patience, loyalty and understanding are appreciated as we work through this together.

## LIMITED INDOOR CAPACITY

Come see us in **SUMMER** for additional rides and family entertainment!

ALL rides open May 7, 2021.

## WEATHER POLICY

The weather in the Rocky Mountains can change quickly. If we experience high wind and heavy snow, the gondola will slow down and sometimes stop. We may also close the gondola for a period of time until the weather passes; typically 45 to 90 minutes. Please plan accordingly for these delays as there is no alternative means of transportation. In the event of an overnight snow storm, the Alpine Coaster will be closed until the track can be cleared. We'll open the ride as soon as possible.

We appreciate your patience and cooperation.
